✠The reception of recorded sacraments necessitates parish membership that is active. Even parishioners of other parishes need written permission from their pastor to receive these sacraments at St. Vincent Ferrer Parish. Parish membership is jurisdiction. Permission is never presumed. When Catholics are not actively practicing by weekly Sunday observance, church policy suggests delaying sacraments. The same is true when we are asked for letters of folks to become sponsors or godparents. Godparents/sponsors must be 16, confirmed and practicing in their given parish. Their pastor can attest to that in writing when needed. This is to keep sacraments holy and healthy. Please note having attended SVF school as a child does not constitute adult membership in a parish.

SACRAMENT OF CONFIRMATION AT SVF

Bishop Joseph Perry will celebrate the Sacrament of Confirmation at SVF at the 5:30PM Mass on Sunday March 22. The parish community is invited to witness 61 of our young people receive this sacrament. A reception will be held after the Mass in the school gym. We ask that you keep our Confirmation candidates in your prayers as they continue their preparation for this special day.

Are You Widowed.

And still having difficult moments from time to time? Looking for something to help you move forward with the life that is now yours to lead? Wonder how other widowed people have found a way to get “over the hump” of being stuck in working through this loss?

Advocate Good Shepherd Hospital invites all widowed persons (especially younger widowed). To attend the faith-based, 2 day workshop being held:

On: April 18-19, 2009
At: Advocate Good Shepherd Hospital
450 W. Hwy. 22 (Half Day Rd.)
Barrington, IL 60010

For more information call: 1-708-354-7211 Joyful Again Widowed Ministry Program

Joyful Again!

Religious Education

From the desk of Karen Dix...

Sacrament news: Reminder- Confirmation practice will be Wed. March 18 at 7pm, in the church. Try to have your sponsor there also. If sponsor is not available, a parent can stand in.

Next Sunday, March 22 we will celebrate the Sacrament of Confirmation at the regular 5:30 Mass. Please pray for all our candidates as they take this big step in their faith life.

ADULT CONFIRMATION

Any adults who were never confirmed (but who do have a Catholic School or Religious Education background) are invited to join a process for Adult Confirmation. Sessions for preparation begin this month at various locations. If you are interested, contact Karen Dix ASAP at 708-366-7090, Ext 144.

The continuing generosity you offer to the Catholic Campaign for Human Development collection is very deeply appreciated. To date, almost 90% of parish contributed to this years collection. St. Vincent Ferrer is part of this remarkable generosity having contributed \$3,609.02.

Thank You for sending you contribution promptly and please let me know if this amount does not match you records so we can rectify it

Through your donations you participate in projects working with issues of affordable housing, safer neighborhoods, economic development and the improvement of life for the elderly, immigrants and disabled in Cook and Lake Counties

I extend my personal prayers of gratitude to each of you for the attention you give to CCHD through the collection and the on-going transformative education about bringing justice to the poor. On behalf of all those whose lives are touched by your kind support may our God of justice bless you abundantly.

Gratefully

From the Pastor

Dear Parishioners,

Simplifying our lives is central to Lent. I am suggesting several options for our homes during this season:

A) Clean out closets and give the clothing to the poor if it is in reusable condition. The best rule of thumb is that if you have not worn it in the last year, you should be parting with it. Anyplace like the Salvation Army, St Vincent DePaul, or our own St Pius Room can be great drop off places for this spiritual exercise.

B) Do you have any old eyeglasses around the house? These can go to the third world countries. They are all computer catalogued for giving away. The organization is called www.onesight.org. Drop off places for your outdated prescriptions are Sears Optical, Target Optical, LensCrafters, Pearle Vision etc. Cleaning out our drawers can bring sight to others.

C) Cleaning out food pantries is another great project for Lent. Most of us stockpile in our cupboards. Use what is there and buy nothing for meals until the inventory is gone. (Small items of produce can be the only exceptions of purchase.) Some of the meals will be strange but it is food. Let this be reason to eat-in and prepare food in. Remember from the 2000 USA census that a household only has one meal per week together fixed at home. We can change those realities. Eat at the table with the television off. Remember to say the table blessing and say an extra prayer for Lent. Sharing what you each did that day for Lent is wonderful. Any save moneys can be used for yourself and a donation for the hungry.

D) Clean down the family schedules: limit computer use only to business—not games, etc. Do not watch TV. A video of a sacred topic could be a great family night. So much of our entertainment is individual. A family game time is good—cards, board games, etc. We can become strangers to one another in the house we share. Getting everyone in one place at one time is lots of work.

E) Schedule the Lord into the life of your household. If you live alone, connect with a friend to do something prayerful. So often families who pray do not even do it together. The rosary, the stations of the cross, adoration, etc are just a few of the ways a family can connect in their faith.

Everything I suggest will be a bit weird because it implies change. Everything I suggest will bring you closer to yourself, God and others. Simplifying our lives is a great blessing. Lent is a spring cleaning of the soul.

Blessed Lent,
Fr. Tom

Resurrection Health Care invites you to observe *Cover the Uninsured Week* from March 22-28, 2009, and join our letter-writing campaign to urge elected officials to make health care reform a top priority for the new Congress—and the nation. Forty-seven million people in the U.S. lack basic health insurance coverage and a staggering 18,000 people in the U.S. die each year because they do not have needed coverage. Ensuring that everyone has access to affordable health care must be a top priority for immediate action in the new Congress.
